Quad kids

Class 1 had a great day at Catterick Garrison Athletics Track (despite the cold, miserable weather). The children were brilliant both in attitude to taking part and with their behaviour when waiting around for their turn. They took part in four events: a long jump; a throwing event and short and long distance runs. They were a little nervous to start with, after all they were competing with approximately 470 other primary school children! But they had a go at every event and did their best. I was very proud of them all. Mrs Miller
